2. The Goat Track – Stanwell Park Station to Stanwell Tops
West of Stanwell Park village there is a varied walk that climbs the escarpment to the plateau above. The first part of the walk is in rainforest and as you ascend there is dry eucalypt forest. Once at the top you can walk north via Stonewall Road and carefully cross Lawrence Hargrave Drive to the Princess Marina walk and to Kelly’s Falls. Or just explore the bushland on top of the plateau where there are a number of intersecting tracks and informal lookouts with views back to the coast and to Mt Mitchell to the south. Note the cliff edges are not fenced making the walk unsuitable for toddlers.

Length: 3km
Time: 1-2 hours
Grade: Medium to Hard – steep ascent
Access: Stanwell Park railway station – western platform

3. Helensburgh Historic Railway / Glow Worm Tunnel
Helensburgh’s first railway station was opened on 1 January 1889. It was located between two single line tunnels at the junction of Tunnel Road and Vera Street. The short Helensburgh Tunnel was at the northern end of the station and was 80 metres long. The much longer Metropolitan Tunnel at the southern end, from Helensburgh Station exit the main car park and cross Tunnel Road. Follow the open passageway along an abandoned rail line passing an old Helensburgh Railway Station sign. Proceed through the tunnel which is about 623m long. Take a torch and maybe gumboots would be good.

Length: 1.25km
Time: 1 hour
Grade: Easy – family friendly
Access: Helensburgh railway station

4. Sublime Point Nature Trail – Woodward Track
Visitors to Sublime Point lookout wanting to experience some of the wonderful bushland the Illawarra Escarpment State Conservation Area has to offer will find the Woodward Nature Trail the ideal choice. It has varied and interesting flora with many wildflowers in spring. Starting from a track head immediately behind the picnic area ammenities block will take walkers in the easier anti-clockwise direction. A picnic table will

Length: 4km
Time: 1-2 hours
Grade: Medium to Hard – some steep ascent
Access: Limited parking at Wodi Wodi track head, Lawrence Hargrave Drive, 1km south of Stanwell Park shops or walk ~800m north from Coalcliff railway station. Take care on road-way.

5. Austinsmill to Sublime Point Lookout
This iconic Illawarra walking track can be accessed from Austinsmill railway station (on foot or by car) by firstly crossing the rail bridge to the west. Ignore Hill Street and continue up Balfour Road and on to the top of Asquith Street. At the T intersection turn left and a track head is found. A well formed track leads up the escarpment (some 1000 steps) to the summit at Sublime Point (alternative start point). There are five resting stations and nine sets of ladders before arriving to witness great views from the top. For safety, always face the ladders climbing up or down. In wet and muddy conditions boot cleaning facilities are located at the ladders. Toilets and café are located at the lookout. This walk can be extended to the south to Panorama House and on to Bulli lookout.

Length: 2km (from track head) or 4km (from station) return
Time: 2-3 Hours
Grade: Hard – very steep ascent
Access: Austinsmill railway station or park in southern end of Footills Rd

6. Maddens Falls – Dharawal National Park
A lovely walk starts from a sign posted car park on the southern side of Darkes Forest Rd. The walk goes down a slight hill and on to a boardwalk near Maddens Creek where part way along you can see the creek edge to see a small dam which creates a delightful pool. Further along, at the end of the track, is a viewing platform and seat from which you can enjoy the natural surroundings. The waterfall, dropping about 10 metres, is quite delightful. On return to the car park it is nice to visit the orchard across the road to sample or purchase some fresh produce.

Length: 600m return
Time: 1/2 hour
Grade: Easy – family friendly
Access: Darkes Forest Rd, 2.6km from Old Princes Hwy, Maddens Plains

7. Wollongong Botanic Garden
The Wollongong Botanic Garden is about 3km north west of Wollongong CBD and is situated at the base of Mt Keira. It has an area of just over 27 hectares. Set on gently undulating land, a network of paths leads through diverse habitats such as woodlands, arid zone and rainforest. Check website for more details. Wollongong Botanic Garden lunchtime bird walk: a free guided walk led by Illawarra Birders Club discovering the Garden’s rich bird life. First Thursday of the month 12.30 to 1.30pm, bookings not required. Meet at the Discovery Centre.

Length: Up to 2km
Time: Variable
Grade: Easy – family friendly
Access: Main entrance is on Murphy’s Avenue with others on Northfields Avenue and Madeline Street.

8. Tom Thumb Lagoon (Wollongong Greenhouse Park)
A lovely walk starts from a sign posted car park on the southern end of the Range with its rainforest gullies and eucalypt forest. This section of the Great Dividing Range forms a vital biodiversity hot spot. This section of the Great Dividing Range with its rainforest gullies and eucalypt forest is home to a diverse range of native flora and fauna. The Illawarra escarpment also forms a vital green corridor connecting the southern end of the Royal National Park south to Macquarie Pass National Park and beyond.

Length: Up to 4km return
Time: Up to 2 hours
Grade: Easy – medium
Access: Cordeaux Rd, eastern fringe of Mt Kembla Village

9. Mt Kembla – Summit Track
Mt Kembla summit is one of the highest and most recognisable points on the Illawarra escarpment. It affords wonderful views of southern Wollongong. The summit track head can be found a short distance to the east of the Mt Kembla lookout carpark and climbs steadily through forest to the summit. From here extensive coastal plain and ocean views can be seen as well as across to the southern highlands as you ascend. A highly recommended walk. Also see walk 15.

Length: 3km return
Time: 2-3 hours
Grade: Medium – Hard. Steep ascent and 1 short ladder.
Access: Mt Kembla lookout carpark — Upper Cordeaux Rd

Special Nature of the Illawarra Bushland
The natural bushland areas to the west of Wollongong not only provide a wonderful backdrop to the city but also have special significance as a biodiversity hot spot. This section of the Great Dividing Range with its rainforest gullies and eucalypt forest is home to a diverse range of native flora and fauna. The Illawarra escarpment also forms a vital green corridor connecting the southern end of the Royal National Park south to Macquarie Pass National Park and beyond.

We would like to acknowledge the original custodians of this land we walk, the Dharawal people.
11. Mt Keira tracks — Robertsons Lookout
Just west of Mt Keira Lookout and connecting with the Mt Keira Ring Track a delightful walk climbs to a high point on the escarpment where there is a viewing platform which provides extensive views of the coastal plains and of Mt Keira itself. This walk can either be done as a side trip when on the Mt Keira Ring Track or as a stand-alone walk by parking at the corner of Mt Keira Rd and Queen Elizabeth Drive. The track starts just off the roadways to the southwest. Also see walk 19.
Length: up to 4km return
Time: Up to 2 hours
Grade: Easy – medium
Access: Cnr Mt Keira Rd and Queen Elizabeth Drive, Mt Keira

12. Mt Keira tracks — Ken Ausburn Track
This track is dedicated to the memory of the late Dr Kenneth John Ausburn, the first head of physics at UoW, who had a great love of the Illawarra escarpment. As a foundation member of the South Coast Conservation Society he and Dave Walsh put forward a plan for an escarpment park, now the Illawarra Escarpment State Conservation Area.

From the track head at the Cnr of Robsons Rd & Northfields Ave, just west of the University & Botanic Gardens, walk up the steep hill passing a couple of lookout points, the Lawrence Hargrave memorial sculpture and some relics of mining in the area to a junction with the Mt Keira Ring Track (walk 14) from here you can return down the hill or turn south on the ring track towards Byarong Park.
Length: 1.6km one way
Time: 30 min one way
Grade: Hard – steep sections
Access: Cnr of Robsons Rd & Northfields Ave, Keiraville

13. Mt Keira tracks — Dave Walsh’s Track
This walk begins by crossing Mt Keira Rd from the Mt Keira Ring Track (walk 14) near the scout camp entrance road. It climbs through varied vegetation and via rocky outcrops to reach the top of Mt Keira at the southern end of the Summit Park. It is then best to walk north on the summit loop track to the Mt Keira lookout where there are picnic tables and amenities available. By combining this walk with the Ken Ausburn Track (walk 12) and the southern half of the Mt Keira Ring Track you can complete a “city to summit” ascent of Mt Keira.
Length: 500m one way
Time: Up to half hour one way
Grade: Hard – steep rocky sections
Access: Gated track opposite Cnr of Mt Keira Rd and scout camp entry road.

14. Illawarra Rhododendron Gardens
This delightfully maintained 13 hectares of gardens and natural forest nestled under the escarpment at Mt Pleasant is open to the public on weekends, public holidays and Tuesday mornings. The site has varying terrain from flat at the bottom to quite steep at the top. There are a series of walking trails all around the gardens and up through the rainforest. Enquire with the volunteer staff on site to find the best trail for you. On the upper trail some wonderful views can be viewed. There are picnic facilities on site. A small donation is requested when parking your car.
Length: Up to 2km
Time: Up to 2 hours
Grade: Easy but some short steep sections may be encountered
Access: Parrish Ave, Mt Pleasant

Longer Walks

16. Illawarra Escarpment Traverse — Grand Escarpment Walk
A complete traverse (up to 16.5km) of the northern Illawarra escarpment from Stanwell Park to Austimmer with many great view points and varied vegetation along the way. Highly recommended. This walk forms part of the long awaited, but not yet fully constructed, multi-day walk of the escarpment from the Royal National Park in the north to Mt Kembia and beyond in the south. There is a section which can now be walked in one day. Public transport friendly.

See separate brochure on NPA web site for more detail, illawarra escarpment walk

17. Forest Track — Maddens Plains
The Forest Track is an undulating walk along the escarpment edge from an access point on a service road north of Sublime Point to Mt Mitchell overlooking Stanwell Park. It passes through many different vegetation communities and is an excellent introduction to escarpment flora. There are also spectacular coastal views from various vantage points, though care must be taken as they are not fenced and the cliffs are very steep. The track is well maintained with some recent improvements, but may be a little overgrown in places. Walk along the service road in an easterly direction and look for the track head on the left just before the edge of the escarpment. Also see walk 12.
Length: 12km
Time: 5.5–6 hours return
Grade: Medium – undulating
Access: Gated service road 4.2km north of the Sublime Point lookout turnoff on the Old Princes Highway

18. Bellambi Lagoon and Sandhill Circuit
Starting at Towradgi Park this walk includes beach, bush, lagoon and shared pathways. It has extensive coastal and escarpment views. From the car park at the eastern end of Towradgi Road walk north along the beach for about 1.3km then turn up into the dune at the steps and walk over the dune heading further north.

Now walk down through the bush, coming out at the sports field. Walk east back to the beach, around the headland to the north and Bellambi Lagoon. Then look for the shared pathway heading south. It goes along the edge of the lagoon, rich in bird life, and past the caravan park back to Towradgi. A shorter version of the walk is to start and finish at the car park at the beach end of Murray Rd East Corrimal.
Length: up to 5km return
Time: Up to 2 hours
Grade: Easy – some sand walking
Access: Car park at beach end of Towradgi Rd, Towradgi.

19. Mt Keira - Ring Track
This is an iconic Wollongong and Illawarra Escarpment walk which circumnavigates Mt Keira. It’s a great rainforest experience. Best starting points are either Byarong Park, a pleasant picnic spot in rainforest, which is part way up Mt Keira Rd from West Wollongong or the same start point for walk 10. It’s best to walk the Ring Track in a clockwise direction to avoid climbing the large number of steps on the northern side of the mountain.
Length: Up to 4km
Time: Up to 2 hours
Grade: Easy - Medium
Access: Byarong Park or Cnr Mt Keira Rd and Queen Elizabeth Drive

20. Mt Kembla—Ring Track
This walk can be started at the same location as walk 8 but is an easier option. It has a section of excellent rainforest as the track descends to a fire trail which then should be taken to the north and circumnavigates the mountain eventually meeting Cordeaux Rd. The bitumen road must then be walked back up to the car park. This track can also be accessed from the top of Farmborough Rd. Pass through the locked gate and climb up the steep road past historic mining cottages and pit pony stables.
Length: 5km return
Time: 1.5–2 hours
Grade: Easy – some steps
Access: Mt Kembla lookout carpark—Upper Cordeaux Rd

15. Hill 60 and surrounds — Port Kembla coast
Great coastal views and a sense of achievement can be found on this walk. Starting from the car park near Port Kembla swimming pool climb the steep grassy slope then use laneways, stairs and footpaths continue all the way to the lookout at the highest point on Hill 60. After taking in the extensive views find the well defined track down the northern side of the hill. At the bottom cross the grass and walk north, on path, beach or rocks, all the way to the white triangle shaped, (old tank trap) features on the headland in the distance. Here is the Breakwater Battery Museum and just beyond, under the harbour pilot station, there is a cafe as well. Then you can either walk back to the start along pathway, explore further around the museum or the industrial harbour and breakwater area.
Length: Up to 6km return
Time: Up to 2.5 hours
Grade: Medium—steep sections
Access: Cnr Olympic Blvd & Couper St, Port Kembla

Want to learn more about bushwalking?
Bushwalking101.org
Look, Learn, Explore!
For a beginner, going bush is a very daunting task. http://www.bushwalking101.org/ is a website to help people better settle into bushwalking with the NPA. It’s about sharing ‘bite-sized’ information and practical advice to new bushwalkers. Our hope is to encourage our new members to take up bushwalking as a lifelong passion and to continue to grow and improve their bushwalking skills.

About the NPA
The National Parks Association has a history of more than 50 years in NSW.

The NPA is a not for profit community association that seeks to protect, connect and restore the integrity and diversity of natural systems in NSW and beyond through National Parks, Conservation Reserves, Marine Sanctuaries and other means.

The NPA co-ordinates over 1000 bushwalks and other outdoor activities across NSW every year.

The NPA activities program is published quarterly in conjunction with our magazine Nature New South Wales which contains fascinating articles on all things Nature.

The NPA monitors the management of our current National Parks, sanctuaries and reserves and makes suggestions and proposals to ensure the best park management standards. Community events and citizen science work are also arranged by NPA.

The NPA seeks to inform the people of NSW on the beauty of our natural places and the need to take action to protect these places for future generations to enjoy.

Join the NPA Illawarra and be part of the community team working for our environment as well as enjoy- ing friendly outdoor activities.
