RIDE OF YOUR LIFE

Wollongong is the home of cycling in 2022! As host of the UCI Road World Championships in September and having recently been named the first UCI Bike City in the southern hemisphere, it's all about two wheels in Wollongong.

There will be two editions of the MS Sydney to the Gong Ride in 2022, the newly opened Cringila Hills Community Park boasts 11km of mountain bike trails (with the promise of more to come on the escarpment), and there is a suite of stunning shared pathways to explore our city and coastline.
